

# Juniata NCAA Runner-up National Champs

"It's a disappointing way to end the season," said head coach Walt Nadzak following the 41-0 loss to Wittenberg University in the first NCAA football championship of any kind. "I personally feel hurt that we didn't play well," he continued. Prior to the game Nadzak explained to the press that he had never seen a small college football team with speed like Wittenberg's. "They are without a doubt the best small college football team I have seen in my 14 years of coaching," he added.

Nothing seemed to go right for the Indians except for the coin toss which they won. On the opening kickoff Juniata mis-handled the ball and retreated to the one yard line before Carmen DeFrancesco returned it to the nine. Although the

Indians did move the ball on the first series of plays, several penalties forced them to punt the ball away for the first of six times in the game.

Wittenberg began their first scoring drive by mixing running and passing plays with perfection. Senior quarterback, Lloyd Ball had the best day of his career, and ended the first scoring drive by plunging over from the one. This was his first touchdown of four during the afternoon. It may be interesting to note here that Ball had four TD's on six carries and ended the game with -1 yard rushing. This tells the story that whenever the Tigers got close to the end zone, Ball called on himself to do the work.

Juniata had only one good scoring opportunity in the first half and that went

by the boards when senior Mike McNeal missed a 34 yard field goal attempt. The Indians had driven to the Wittenberg 15 yard line with four successive first downs in the most impressive offensive drive of the day for Juniata. The first half ended 21-0 Wittenberg, Ball having scored all three TD's on the first three Tiger possessions.

"Even when we were down 21-0, I still thought we could move the football on them and we had somewhat in the first half," said Nadzak. "We came out in the second half, got a good drive going and then were nailed on an intentional grounding call. We had a sound game plan and the only thing I would change would be to eliminate the mistakes."

"We just ran out of miracles," Nadzak

commented at the post-game presentations at mid-field following the game. "It was a miracle that we even got this far." Juniata at times had as many as five freshmen in the game on the defensive lineup trying to cage the Tigers. "Despite the way things turned out, I just can't get down on these kids," said Nadzak. "Nobody likes to lose, especially when it comes at the end of such a great season like we had at Juniata. I think this game will give our young players even more incentive in the future."

In the words of Mr. Carl O. Jones, chairman of the Stagg Bowl committee, "Juniata has nothing to be ashamed of, after all there are 192 teams in the country below you and only one above you, and you have the plaque to prove it."

There is no denying it, Juniata had one great football team this year and when they were preparing to leave for Alabama, more than 500 people, from the college and the community, were on hand to let them know that, win or lose, the Indians were number one in their hearts. The fact was, upon their return to campus on Sunday afternoon the Juniata football team was welcomed home by the same enthusiastic group of supporters. "This football team has brought JC fans and alumni closer together than any time in the history of the school," said coach Nadzak.

Juniata did not win the Lambert Bowl, but they are the number one team in the East according to the NCAA. That is why it came as no surprise to find that eight Juniata players were selected to the All-

## THE JUNIATA COLLEGE BULLETIN

# JUNIATA

VOLUME LXXII/NUMBER 4

DECEMBER 1973

### To Juniata's Great Football Team of 1973

Gentlemen:

You have completed a truly remarkable season of football -- a season that pleased and astounded us all as you moved through twelve games toward your final outstanding record of 10 wins and only 2 losses. Without pre-season notice or fanfare, you have won undisputed second place among the 194 member colleges of Division III of the National Collegiate Athletic Association.

You have been outstanding representatives of Juniata College both on and off the playing field. As I mentioned in a previous letter, I am glad that you fulfilled Juniata's conception of what student athletes should be. First you have been students earnestly interested in obtaining a sound education and at the same time you have enjoyed the benefits of participation in intercollegiate athletics. Just as you seek to excel in the classroom so you have also demonstrated the important characteristics of skill, intelligence, courage and high motivation necessary for the successes that you have so notably achieved. From Gettysburg to Phenix City was a long and demanding journey and with the help and guidance of your fine coaches you have acquitted yourselves extremely well.

In behalf of the entire Juniata family, I would have you know of our deep and abiding admiration and gratitude.

Cordially yours,

*John N. Stauffer*

## Juniata NCAA Eastern Champs

It's on to the Amos Alonzo Stagg Bowl and a possible NCAA Division III title for the Indians of Juniata after a smashing 35-14 victory over favored Bridgeport University Saturday.

In a post-game press conference, Head Coach Walt Nadzak said, "We felt that we had a good game plan and everything we did worked. Although we only tried

11 passes, we felt we could throw on them as much as we wanted to." The fact is senior quarterback Gary Shope completed eight of 10 passes for 220 yards and two touchdowns.

Nadzak continued by saying, "In my five years of coaching at Juniata we have never faced a more physical team." In a tribute to the defense, he added "They

## IN MEMORIAM

REV. ERNEST A. BRUMBAUGH '17, died October 29, 1973.

DR. PAUL A. HEART, JR. '56, died November 14, 1973.

## CLASS NOTES

15

RANDALL L. BRUMBAUGH was chairman of the Marklesburg 100th anniversary ceremonies held in July, 1973. Mr. Brumbaugh is the proprietor of the Brumbaugh store in Marklesburg which was founded by his father Irvin G., a student in 1886.

24

D. HOWARD KEIPER was honored by the Lititz Church of the Brethren on April 15, 1973 for having given 53 years service as an ordained minister and 46 years as an active pastor. He was the speaker at the sunrise service on Easter morning at the Aughwick Church of the Brethren where his son, John D. Keiper '55, is the pastor.

26

DR. and MRS. TOBIAS F. HENRY marked their Golden Wedding Anniversary June 2, 1973. Dr. Henry retired in 1965, after serving for 28 years as a minister in the Church of the Brethren and 22 years of teaching sociology at Juniata. Dr. Henry, who is a professor emeritus of Juniata, has remained active during his retirement. He has been serving as part-time pastor at the Beech Run Church of the Brethren, where he recently preached his 5000th sermon.

Dr. and Mrs. Tobias F. Henry

30

The biography of DR. ERWIN S. BRADLEY, chairman of the Division of Social Studies at Union College, Barbourville, Ky., appears in the new "Dictionary of International Biography" published in Cambridge, England.

31

H. WILBUR SPEICHER, administrator, Westinghouse Headquarters Industrial Hygiene, was presented an honorary membership in the American Industrial Hygiene Association for his contributions to the technical literature and to the knowledge and practice of the profession of industrial hygiene. Speicher is one of only seven industrial hygienists among the 28 persons around the world who have received this honor in related fields of activity. Mr. Speicher is now in his 35th year with Westinghouse and has directed the activities of the Headquarters Industrial Hygiene Laboratory since 1950.

32

MRS. MARJORIE FRIEND DAVIS was chosen as an Outstanding Educator of America for 1973. She is an associate professor of dental hygiene at Montgomery County Community College, Conshohocken. As director of the Learning Resources Center she has been responsible for the planning and development of the facilities, staff and resources needed to provide library and audiovisual services related to both student and faculty needs.

DR. EVA R. HARTZLER, Charles A. Dana Supported Professor of Chemistry at Juniata, participated in an eight-week European travel and study program this summer designed to look into the evolution of chemistry.

33

DR. T. WAYNE RIEMAN, chairman of the Manchester College Department of Religion and Philosophy, on a sabbatical leave, has been named Chairman of the Faculty aboard the educational cruise ship World Campus Afloat. Dr. Riemann is teaching religion and serving as Protestant chaplain for the 500 students and faculty aboard the ship.

35

JOHN T. FIKE, former vice president and treasurer of Juniata, has been appointed manager of homes operations of Florida Brethren Homes, Inc., Sebring, Fla. His wife, JUNE HOOVER FIKE '34, is assistant business manager with the homes.

John T. Fike

Dr. William W. Hassler

39

REV. HERBERT N. BROWNLEE, pastor of the First Baptist Church of Milton, Pa., preached the dedication sermon of the new edifice October 14, 1973. The old building had been devastated by the Agnes flood in June 1972. The new building, erected at a cost of nearly \$225,000 is located on a hill overlooking the surrounding mountains. "We might get struck by lightning, or blown away by the wind, but a flood—never! If another does come, I will cut loose the baptistry and use it as an ark."

CHARLES F. GOODALE, JR., has been appointed an area sales manager by the DuPont Company's Industrial Chemicals Department in the Wynnewood (Philadelphia) district.

DR. WILLIAM W. HASSLER has been elected to the presidency of the Pennsylvania Association of Colleges and Universities. Dr. Hassler is the president of Indiana University of Pennsylvania, Indiana, Pa.

40

MRS. CARL V. (BEULA KNEPPER) MOORE spent three weeks this summer at Fred Waring's music workshop at Delaware Water Gap for recertification credit.

42

REV. and Mrs. EDWIN H. MOYER enjoyed a trip to Hawaii last summer given by their children in celebration of their 25th wedding anniversary. Their address is 528 N. Main St., Randolph, Mass. 02368. Rev. Moyer is the minister of the First Baptist Church.

DAVID NETTLETON is the president of Faith Baptist Bible College in Ankeny, Iowa. His wife, the former RUTH ANN DAVIS, is his secretary. They are busy traveling and developing the new campus since the college was moved to Iowa from Omaha, Nebraska, only six years ago. Their address is 224 N. Abilene Road, Ankeny, Iowa 50021.

48

HELEN ROUDABUSH PEIGHTEL received a master's degree in English from Shippensburg State College August 3, 1973.

Westvaco Corporation has promoted THOMAS O. OEFFNER to the position of marketing manager for the Carbon Department of its Chemical Division. The Oeffners have moved to the Carbon Department headquarters in Covington, Va.

52

On July 1, 1973, DONALD H. TREESE became pastor of the Allison United Methodist Church on the campus of Dickinson College, Carlisle, Pa. He serves on the Board of Trustees of

Lycoming College and the United Methodist National Board of Higher Education. Don, his wife Lois, and their three children reside at 112 Mooreland Avenue, Carlisle.

53

JOHN C. RICHMAN, CPCU, has been advanced to assistant vice president for nationwide workman's compensation operations at Fireman's Fund American Insurance Companies. Mr. Richman joined Fireman's Fund last year as manager of workmen's compensation insurance for the Western region.

ELIZABETH MONKS SHULTZ received a master's degree in education from Rutgers, The State University, May 31, 1973.

Air Force Lieutenant Colonel BRADLEY W. HETRICK is attending the U. S. Army War College at Carlisle Barracks, Pa. The ten-month curriculum will prepare him for top level command and staff positions with the armed forces. Colonel Hetrick received his M.S. degree in 1965 from the U. S. Air Force Institute of Technology, Wright-Patterson Air Force Base, Ohio. He entered the Air Force in October, 1953, and holds the Air Force Commendation Medal and four awards of the Air Medal.

55

JOYCE RINEHART FOWLER writes to say that she returned to full-time teaching at Paxton Hollow Jr. High in the Marple-Newtown District. JERRY WILLIAMS '61 teaches in the same school and Glenn Sanner, husband of ALLEGRA FORNEY '55, is acting superintendent of the district for the next year. The Fowler's address is 919 Edgewood Dr., Springfield, Pa. 19064.

Dr. Eva R. Hartzler

Bradley W. Hetrick

56

REV. GERALD RICHARDS is the new rector of St. Luke's Episcopal Church, Lebanon, Pa. Father Richards hopes to be able to meet the needs of the parish, as counselor and friend, as well as serve the larger community through cultural activities.

58

Bethlehem Steel promoted DONALD S. AURAND to management's representative. Mr. Aurand had been assistant management's representative since 1968 at the Lebanon plant. His address is 221 E. Walnut St., Cleona, Pa. 17042.

JOHN V. HOLLINGER received a master's degree in education from Penn State University.

ANTHONY J. CHIRICO, a U. S. Naval officer, will be attending the Naval War College, Newport, R. I. for one year.

59

The REV. W. GERALD WITT has assumed the pastorate of the Grace United Methodist Church in Punxsutawney. Rev. Witt was formerly the director of development programs for the Westmoreland County Economic Opportunity Agency.

60

ROBERT A. DOYLE has accepted the position of Director of Admissions at Roanoke College, Salem, Va. Mr. Doyle has formerly been associated with Hood and Juniata College. He was assistant director of development and director of admissions at Hood and director of placement and financial aid and assistant director of admissions at Juniata.

61

THE REV. JOHN F. HENRY has been appointed to the campus Protestant ministry position at the University of Pittsburgh at Johnstown. Rev. Henry has been pastor of the Arbutus Church and Walnut Grove Church of the Brethren in Johnstown.

# Encouraging Developments

## ARTHUR VINING DAVIS GRANT

A grant of \$50,000 has been received by Juniata College from the Arthur Vining Davis Foundations.

The grant, which is being applied to the Juniata Centennial Fund, will be used toward the completion of the funding of Ellis Hall, the College Center. Juniata recently inaugurated the Centennial Fund, the final phase of its eight year \$10-million development program, by announcing that \$1,215,000 dollars in advance gifts toward a goal of \$5-million was assured. The Arthur Vining Davis grant, along with other recent gifts, moves the Fund over the \$1.3-million mark. The Juniata Centennial Fund is aimed at preparing the college for its second century of service.

In acknowledging the grant Dr. Stauffer cited the appropriateness of its application since Ellis Hall serves as the hub of campus activities. Dr. Stauffer noted that "this building is so important that we find it difficult to answer the question,

'How did we ever get along without it?' " The facility has been in use since 1969.

In his response to the Arthur Vining Davis Foundations' officers, Dr. Stauffer expressed the gratitude of trustees, faculty, students and alumni of the college for the foundations' help in advancing Juniata's educational effectiveness.

The Foundations were created in 1952 by Arthur Vining Davis, former president of the Aluminum Company of America (Alcoa). The Foundations make substantial annual contributions in the areas of private education, medicine, and religion.

## ARCO GRANT

Juniata College has received a grant of \$2000 from the Atlantic Richfield Foundation, it was announced by Dr. John N Stauffer.

The check was presented to the college by Mr. H. Paul Cook, who is a 1938 graduate of Juniata, and an Arco dealer in Huntingdon. The grant will be applied to

the chemistry department as a departmental assistance grant.

The Foundation's educational support is divided into several categories. The type received by Juniata is extended to a selected number of "outstanding" independent colleges and universities across the country to aid in "maintaining their traditions of academic freedom."

President Stauffer said, "We are indeed pleased that the Atlantic Richfield Foundation has recognized Juniata as such an institution."

## GULF OIL GRANT

The Chemistry Department of Juniata College has received a \$1,000 Departmental Assistance Grant from the Gulf Oil Company.

The check was presented to Dr. William E. Russey of the Chemistry Department by B. H. Gwynn, Technical Advisor of Gulf. The grant will be used to purchase accessory material for the laboratory computer.

Ronald E. Berkheimer

## Runner-Up National Champs

(Continued from page 1)

Middle Atlantic Conference first team All-Star team in the Northern Division. In addition, four players made the honorable mention list. The All-Stars are as follows: quarterback, Gary Shope; halfback, Mike McNeal; fullback, Lou Eckerl; center, Don Myers; guard, Sean Ryan; defensive end, Don Leauber; and defensive linebacker, Barry Hartley. Honorable mention laurels go to guard, Alex Zubritzky; defensive linebacker, Steve Lehman; defensive lineman, Jim Rescigno; and defensive safety, Jim Messner.

Of special interest is the MAC's Most Valuable Player Award which this year will be presented to Juniata's senior fullback, Lou Eckerl. These young men are deserving of these awards and it is a fine tribute to the coaches and all their team-mates.

## Eastern Champs

(Continued from page 1)

came up with the big plays when they had to."

On the receiving end of four of Shope's passes was Peter Lentini, a junior at the tight end position. He scored two TD's and covered 144 yards against the Purple Knights. That's not bad for one day's work.

The tempo of the game was set early when Juniata took the opening kickoff and marched 82 yards in eight plays for a 6-0 lead. Two big plays in the series were passes of 10 and 48 yards to Lentini and Mike McNeal respectively.

Bridgeport came back immediately and attempted a field goal. This eventually led to the Indian's next score. A bad snap from center forced a loss of possession and Juniata began its second scoring drive which ended on the 45 yard look-in pass to Lentini good for six. All this happened in the first 12 minutes of the game.

Before half time the two teams exchanged TD's and eventually entered the locker room with the score 20-7. Juniata's last first half score came on another look-in pass to Lentini, this one good for 62 yards.

Juniata kicked the ball to B-port and stopped them cold in only four plays. After taking the punt, the Indians marched to the B-port goal line and were stopped

short of the score that would have iced the game. Nadzak said, "I had second thoughts about not going for the field goal at that point in the game. It would have made up for our two missed extra points."

The stubborn Juniata defense gave up only a few yards a crack and 21 plays later Joe Lauver, the only senior on defense, intercepted a pass in the end zone. A miscue on the next play gave the ball back to the Purple Knights and eventually they closed the gap to 20-14.

At this point in the game the momentum had shifted somewhat to favor the home team. A touchdown would tie the game and the extra point would put them ahead, but it didn't happen that way. Juniata mounted its best offensive drive of the game, combining a good running attack with a potent air show to erase better than six minutes from the score board clock and etch six additional points to its total score. Juniata 28-14.

Following an even exchange B-port set its sights on the Indians goal line some 90 yards away. B-port's quarterback, Mitch Sanders, was welcomed to the game by Juniata freshman Joe Weimer who separated him from the ball which resulted in a first and 10 for Juniata at the B-port 14. Not showing any remorse, Gary Shope decided to put it in for six more and Juniata was home free. Final score: Juniata 35, Bridgeport 14.

In a rare display of post-game emotions the entire Juniata football team mobbed the coaches. In the words of many players, "We were never so prepared for any game as we were for this one. We did what the coaches asked us to do and it worked." "Coach Dean Rossi told us how to score and we scored, coach Dick Reilly told us we could stop them and we did."

The irony of all this credit to the coaches may be due, in part, to the fact that Bridgeport had 10 full-time coaches to three for Juniata. The athletes were eager to recognize that the three best coaches in the game were on Juniata's side of the field.

Now it's on to Phenix City, Alabama for the first annual National Small College Championship game to face Wittenberg University who defeated the University of San Diego 21-14 in the western semifinal playoffs. Game time will be 1:30 p. m. EST, at the Phenix Municipal Stadium.

## Berkheimer to Head Public Information

Ronald E. Berkheimer has been appointed director of public information, it was announced recently by Dr. John N. Stauffer.

The new director, who assumed his duties at Juniata on January 2, 1974, has been employed for the past 11 years by Susquehanna University in Selinsgrove. Berkheimer has held the title of director of public information during most of his tenure at Susquehanna, but his responsibilities at Juniata will be more extensive.

Berkheimer will have the primary responsibility for planning, organizing, administering, and, in part, executing Juniata's publicity and publications' program. Included also is the responsibility for maintaining good relations with the public information media and, in general, for contributing to a strong and favorable public relations posture.

In announcing the new appointment, President Stauffer said, "Juniata College is fortunate to obtain the services of Mr. Berkheimer. The college's public information program will benefit greatly from his leadership and we fully anticipate that he

will be an exceptionally fine member both of the campus community and of the wider community of Huntingdon."

Berkheimer is a York native and is a graduate of West York High School. He holds a bachelor's degree in journalism from Temple University and also did graduate work at that institution in history.

A Navy veteran, he edited the ship's newspaper for two years on the aircraft carrier U.S.S. Lake Champlain and he also has been employed as a general assignment reporter and sports writer for the Lancaster New Era and as sports editor of the Lewistown Sentinel.

He is married to the former Barbara Blechschmidt of Lancaster. They have two daughters—Stacey, 10, and Leslie, eight. His parents, Mr. and Mrs. Lester Berkheimer, reside at 1817 W. Philadelphia St., York.

Berkheimer has been active in St. Paul's United Church of Christ at Verdilla, near Selinsgrove, and is currently serving as consistory president and Sunday School superintendent.

## Juniata Fans No. 1

By MAILAND McILROY, Sports Editor, Huntingdon Daily News

Juniata's official travel party of 55 persons needed a rental car Sunday in addition to the regular bus, and Coach Walt Nadzak automatically walked to the Avis booth.

"When you're No. 2, you ride with No. 2," quipped Nadzak.

The over 700 Juniata fans who attended certainly were not No. 2. Perhaps the most impressed by the Indian supporters was Wittenberg Coach Dave Maurer.

"Juniata's fans were just something else," he said after the game. "They were unbelievable, out of sight. I just wish we had some of that kind of feeling at Wittenberg."

What impressed Maurer most was the fact that so many Juniata fans were on hand and then the game-long support they gave to the Indians. "What happened at

the post-game ceremony had to be seen to be believed," Maurer said.

The Tiger coach was referring to the display the Juniata people made in behalf of the Indians after the 41-0 score was final. When the Juniata team started across the field for the trophy presentations, the fans cut loose with the loudest and most enthusiastic salvo of the day.

Coach Nadzak wasn't happy about the outcome, nobody is when you get laced 41-0 before a large television audience. He did get some solace from the fan support, however.

"If nothing else, this has brought Juniata students, fans and alumni together like no other event in the school's history. And that has to be good," the coach said.

You can't hang a No. 2 tag on the JC fans. They're riding in Hertz cars.

The JUNIATA COLLEGE BULLETIN is published monthly except July and August. Second Class Postage paid at Huntingdon, Pa. 16652. Send Form 3579 to Juniata College, 17th and Moore Streets, Huntingdon, Pa. 16652.

The JC Bulletin is designed and produced by the Offices of Alumni Affairs and Public Information: Clayton N. Pheasant '65, associate editor; Mrs. Marsha Hartman '70, class notes editor; and Mrs. John B. Cook and Mrs. George N. Weaver, editorial assistants.

## The Other Sports at Juniata

Football gets all the ink at press time, but there are also other fall sports at Juniata. The cross country team enjoyed a good season under the direction of head coach Jack Swinderman and the fledging girls' field hockey team is in its first full season in history and showing substantial growth. Here are the wrap-ups of these two sports this year.

### CROSS COUNTRY SPORTS 7-5 RECORD

With a couple of freshmen and some proven veterans leading the way, the Juniata cross country team has already pulled off a couple of victories which were unexpected.

Freshmen Greg Ransom and John Ausherman, a pair of distance aces out of Chambersburg High School, are two of the best of an outstanding yearling group. Ransom has finished first or near the top of the Juniata runners in every meet and should set a bundle of records before he finishes his running for the Indians four years hence.

Last year's top runner Jack McCullough, a sophomore, is also showing that he can still compete and has been pushing the youngsters through the first two-thirds of the campaign. Also exhibiting excellent performances during the season were veterans Paul Wilson, Steve Hooper and Doug Crosby.

The cross country team sported a winning season, and one of the best efforts in recent years. The fact that the team is still a young one, with great depth (27 runners), lends promise for future years of excellent racing.

Juniata finished fourth in a field of 19 teams in the 18th annual Middle Atlantic Conference college division cross country championship in Philadelphia's Fairmont Park.

Greg Ransom, a freshman, was eighth in running the five-mile course in 27:48 as the Indians made their best showing since 1963.

Widener easily won the team championship with 25 points to finish far ahead of Delaware Valley (110). Ursinus was third at 115 and Juniata three points behind at 118.

In addition to Ransom, Bill Kibler was 23rd at 28:45, Grant Brewin 27th at 28:46, Paul Wilson 30th at 29:00 and Steve Hooper 33rd. Jack McCullough was 38th and John Ausherman 57th, but just the first five finishers on each team figured in the scoring.

### Cross Country Results

\* Middle Atlantic Conference.

### FIELD HOCKEY TEAM SCORES SECOND VICTORY

In its first full varsity season, the Juniata field hockey team has exhibited poise and competitiveness not characteristically associated with a young inexperienced team.

The girls have been in every game they have played, losing by three goals to both Dickinson and Indiana and have come up with two victories over Lycoming 3-1, 2-1 and a tie with Susquehanna. The team is coached by Mrs. JoAnne Reilly.

Last year the Juniata girls played a number of games on a club basis so 1973 is the first try against a regular varsity schedule. The encouraging record of the 1973 season gives hope that field hockey will flourish on the Juniata campus.

### Field Hockey Results

Jun.	Opp.
0 Dickinson	3
0 Susquehanna	0
1 Indiana	4
3 Lycoming	1
0 Bucknell	2
2 Lycoming	1

## Matmen Have High Hopes

A couple of experienced upperclass wrestlers and a group of talented freshmen give Juniata mat fans some hope that the program can return to the stature it held a few years back.

Coach Bill Berrier has 20 grapplers on hand this season and morale is high for a marked improvement on last year's disastrous 0-14 campaign. The 1972-73 record is deceiving in that the Indians lost several matches by three points and

more than half the encounters went down to the last two weight classes before being decided.

Seven lettermen return from last year's squad, only one of whom is a senior. Myron Zimmerman, a 142-pounder, is captain and leader of the returnees. Other letter winners are junior Mark Brown, 126 pounder, junior Geoff Clarke, 150 pounder, junior Steve Oak, heavyweight, sophomore Todd Price, 190 pounder, soph-

## Hoopsters Aim for Winning Season

Now that footballs have stopped flying through the air, the thump, thump of the basketball on hardwood is heard at Juniata College as the Indians drill for the upcoming season.

Head Coach Jack Swinderman greeted 26 varsity candidates, including eight returning lettermen. The lettermen included the five freshman starters of a year ago, Tim Tabor, 6-4 from Niles, Ohio, Don Williams, 6-5 from Wilkinsburg, Oscar Hatchett, 6-0 from Cleveland, Robbie Carles, 6-0 from Altoona and Donald Martin, 6-5 from Pequea. The other letter winners back are Mike Kenealy, 6-2 from Rensselaer, New York, Mark Jula, 5-10 from Baden and Greg Ruffo, 5-10 from Youngwood.

Coach Swinderman said he was pleased with the physical conditioning of the group and is excited about the team's enthusiasm. The squad opened the season on December 1 at Delaware Valley.

Juniata finished the 1972-73 season with a 6-16 record, starting five freshmen during the majority of the games. The youth movement has paid off in experience for the Blue and Gold. "We were young last year," the coach said, "and we will still be young this season. We have four juniors, nine sophomores and 13 freshmen, but those who were on last year's team have picked up a lot of experience and will be better competitors this year."

"We are also going to have some additional depth," Swinderman pointed out. "Bill Bickel, a 6-5 transfer from Brandywine Junior College, should make a big difference and sophomore Richard Balch, a 6-5 player who missed last year with knee surgery, will definitely be a help."

The head coach also mentioned freshmen Cris Rowan, Craig Shrift, Ed Flynn and Tim Brady as players who show promise.

The 1973-74 schedule has been beefed up to include such teams as Bucknell, Westminster and California State in addition to the regular MAC rivalries.

### Basketball Schedule

JC	Opp.
71—*at Delaware Valley	91
55—*SUSQUEHANNA	54

Feb. 22-23—MAC's—at Delaware Valley	

\* Middle Atlantic Conference.

omore Jim Ruoss, 167 pounder and sophomore Mark Salisbury, 126 pounder.

A number of freshmen have been impressive and carry with them considerable high school experience. Al Cuneo, a 177 pounder from Altoona, was the state Catholic champ a year ago while Dave Landis, from Lititz, Scott Simmons from Churchville and heavyweight Frank Sundry from New Alexandria, all have excellent credentials.
